Currently the best hotel and restaurant services are there.

100 kilometers from the city of Cusco is the best tourist destination in South America: the Inca city of Machu Picchu. The wonder of the world is the goal of almost all tourists who come to Cusco. Machupicchu was a citadel for agricultural, urban and religious purposes. It has a history that goes back more than five centuries. In addition, the lush landscape that surrounds it, make it one of the most photographed places in the world.

However, Cusco is not just Machu Picchu. In the high mountains of Cusco, near the imposing snow-capped Ausangate, is Vinicunca, the famous mountain of 7 colors. This summit is more than 5 thousand meters above sea level. Thousands of visitors arrive there every day. This amount has made the rainbow mountain the second most visited tourist destination in Cusco, only after Machu Picchu.

And Cusco offers even much more. There you can find beautiful landscapes, archaeological sites, thermal baths, memorable walks and a long etcetera. Some of the little known but worth visiting destinations are: the Palcoyo mountain, the South Valley of Cusco, the Waqrapukara fortress, the Tres Cruces de Oro viewpoint, the abode of the gods, the Cocalmayo thermal baths and more. . Meet them!

All tourist destinations can be visited on your own or with a tour organized by a tourism agency. Of course, the safest and most reliable option is to do it through a tourist agency in Cusco. Most tourist agencies offer a well-organized and complete service to enjoy the best of Cusco.
